

Internal Floor Space: 128m²

Total Footprint: 400m² (20m x 20m)

Doors: 3

Blackout Dome: Yes (optional)

Power to inflate dome: Mains supply or 30kVA generator

Diameter at centre: 15m

The 15m StratoSphere is another mid-sized StratoSphere making it extremely flexible and great for all kinds of events. Its 3 way door alignment makes for easy access and can be specified with either revolve or airlock doors.

With an internal floor space of 128m², the 15m is a highly versatile venue space, with transformations including immersive exhibition spaces to dinner and conference events. As with all the StratoSpheres, the projection dome can be used for any video purpose, be it presentations, movies or educational displays; the StratoSphere really is a multi-purpose, immersive and unique environment.
